Animated Heading

The 'Animated Heading' extension is a simple text rotator to create attention-grabbing headlines.

The following animations are supporting:
- clip
- drop
- fade
- flip
- newspaper
- rotate
- scale
- slide horizontal
- slide vertical

Different headings are on a new line in the text input field. To insert a new line press Ctrl+Enter

How to install this extension so it is available in WYSIWYG Web Builder?
You can use the Extension Manager (Menu->Tools->Extension Manager) to install this extension.

Alternatively, you can manually copy all files from the zip file to the Web Builder extensions folder. Usually this folder is in this location:
My Documents\WYSIWYG Web Builder\system\extensions\

License agreement
This extension is not officially supported; it is made available as an extra service for the registered users of WYSIWYG Web Builder that find it useful. It is provided "AS IS" without warranty of any kind, either expressed or implied.
